All or a portion of these inpatient service eliminations were implemented on or after August 10, 2007.<sup>(2)</sup>

**EXPECTED SAVINGS**

None.

**NOTES:**

- (1) The Department of Health Services has retained the same 153 inpatient bed capacity present at the hospital prior to the September 2006 survey by the federal Centers for Medicaid and Medicare Services (CMS) by opening an additional 52 beds at Rancho Los Amigos National Rehabilitation Center, an additional 20 beds at Harbor/UCLA Medical Center, and an additional 17 beds under existing MetroCare private hospital contracts. Additionally, the Department has retained 64 inpatient beds previously opened at County facilities and private facilities under the MetroCare plan.
- (2) On August 10, 2007, the Department of Health Services notified the California State licensing authority that, in light of the notice of termination of the hospital's provider contract served by CMS, and the immediate, critical staffing shortages that resulted from that notice, the Department initiated urgent action to protect patient safety, including the closure of inpatient services at the hospital.

**NOTES:**

- (1) The Emergency Medical Services Agency (EMS), in cooperation with private hospitals and EMS providers, redrew existing ambulance service areas to redirect 911 ambulances to nine surrounding hospitals in a 12 mile radius from the hospital. Additionally, these "Impacted Hospitals" receive priority consideration for transfers of County-responsible patients into the County system. For patients unable to be transferred, the County, pursuant to "Impacted Hospital" contracts, provides for inpatient beds in the private sector and reimbursement to these hospitals for admitted patients. Finally, the Department continues to provide Urgent Care Services 16 hours daily, 7 days per week, and it continues to operate a Multi Service Ambulatory Care Center, keeping intact outpatient clinics and surgical specialties.
- (2) On August 10, 2007, the Department of Health Services notified the California State licensing authority that, in light of the notice of termination of the hospital's provider contract served by CMS, and the immediate, critical staffing shortages that resulted from that notice, the Department initiated urgent action to protect patient safety, including the closure of emergency department services at the hospital.
